**Tessa[®] of Dancercise[®] Kids is coming to
Chanhassen!**

A move-and-groove sing along experience the kids will remember for a long time

WHAT: Tessa of Dancercise Kids LIVE at Chanhassen Library

Tessa is a Twin Cities native with years of experience entertaining and educating children through dance and music, including her own original songs. Through her company, Dancercise Kids, Tessa's unique songs and curriculum have reached thousands of children across the country and as far away as Malaysia. Now, in preparation for the launch of her new CD, "Dance It!", Tessa is performing at a few select locations in the Twin Cities. The Chanhassen Library performances are presented by the Chanhassen chapter of MotherVenture.

Don't miss this FREE opportunity for your kids to jump, clap, dance and sing while also learning lessons about nutrition, fitness and fun! No nursery rhymes here, just original music and a one-of-a-kind experience that will have them singing and dancing well after the performance is over!
